

Please don't pass the LPFM proposal that would eliminate the Airl broadcast in my local area and other communities around the country. Airl is such a positive influence in my life and many people surrounding me. It is always positive and always so uplifting and spreads the Gospel of Jesus Christ through the airwaves and how can one measure the worth of someone's soul? You can't, only God can, and if even one life is touched by this radio station then it seems to me that the station is worth having. If this is passed, think how many people might not hear the Good News of Jesus Christ.
